#### **Heel.**

Slip the first stitch, knit to one stitch before the end, Turn,

Slip the first stitch, purl to one stitch before the end: Turn

Slip the first stitch, knit to 2 stitches before the end: Turn

Slip the first stitch purl to 2 stitches before the end, Turn

Continue like this, turning, slipping the first stitch, and knitting to 3 before the end, then 4, then 5,

etc. until you have 10 stitches on each side not in use, and 10 'live' stitches still in use.

Slip the first stitch and knit to one before the 'gap'. Slip the stitch before the gap onto the right hand needle, pick up the bar running between the gap and put it on the right hand needle. . Knit the slipped stitch and the picked up bar together.

Now turn, slip the first stitch, and purl to one stitch before the gap. Slip the stitch before the gap, pick up the bar running between the gap, and put it on the right hand needle. Purl the slipped stitch and the picked-up bar together

Continue, with the turning, slipping the first stitch, knitting (or purling) to the stitch before the gap, slipping it, picking up the bar, and knitting (or purling) them together, until you've closed all the gaps.

Place a marker, knit across the 30 stitches on the 'spare' needle, place marker, knit across the 30 stitches that have formed the heel, distributing the stitches equally again across the four needles.

### Foot

Work 40 rounds in raspberry, then 10 rounds in cream. Change back to geranium and work 6 rows, or until work is approximately 2 inches (5 cm) less than required foot length.
