Abbreviations and notes

Brioche stitch:

Bk2tog (brioche knit 2 together): knit next knit stitch together with its paired yarnover

YOS (yarn over slip): bring yarn forward, slip 1 purlwise, bring yarn over right needle, return yarn to back

HOW TO WORK BRIOCHE STITCH:

1. *YOS, bk2tog; repeat from * to end of row

HOW TO COUNT ROWS AND STITCHES IN BRIOCHE STITCH:

- Rows: When counting rows in Brioche Stitch, count the stitches in one knit column only (NB: two worked rows makes one counted row)
- Stitches: When counting stitches, do not count the YO as a separate stitch, only count the knits and purls on your needle.

The Brioche Bomber is worked to avoid seaming where possible. The body is worked seamlessly to the underarms, and then worked flat separately for the fronts and back. The sleeves are worked flat, then seamed and set into the armhole, then the neckline is picked up and knitted around the cardigan opening. The Brioche Bomber has a cropped oversized fit with oversized sleeves.

BODY

Using 12mm needles, cast on 58[62:66] sts using the long-tail cast on technique.

Work in 1x1 rib for 5 rows.

Change to 15mm needles. *YOS, K1; repeat from * to end of row.

Work in Brioche Stitch for 20[21:22] rows.

You will now work the back and front panels separately

Work in Brioche Stitch across the first 11[12:13] stitches only, for 11[12:13] rows.

Cast off, leaving a 30 cm yarn tail before cutting your yarn (*we will use this to seam the shoulders*)

Rejoin the yarn, and work in Brioche Stitch for the next 36[38:40] stitches for 11[12:13] rows.
Cast off.

Rejoin the yarn, and work in Brioche Stitch across the final 11[12:13] stitches only, for 11[12:13] rows.

Cast off, leaving a 30 cm yarn tail before cutting your yarn (*we will use this to seam the shoulders*)

SLEEVES (make 2)

Using 12mm needles, cast on 14[16:18] sts using the long-tail cast on technique.

Work in 1x1 rib for 5 rows.

Change to 15mm needles and increase to 22[24:26] sts evenly across the row.

*YOS, K1; repeat from * to end of row.

Work in Brioche Stitch for 23[24:25] rows.

Cast off, leaving a 60 cm yarn tail before cutting your yarn (*we will use this to sew in the sleeves*)

Making Up

Using the yarn tail attached to the cast off edge of the front panel, seam the front and back panels at the shoulders, using the horizontal invisible seam technique.

Repeat Step 1 for the other shoulder seam.

Find the centre of the top of your sleeve, and match it to the shoulder seam. Starting at the underarm point, sew in your sleeve using the yarn tail attached to the sleeve, taking care not to pull the stitches too tightly. When you reach the underarm point again, continue to seam down the sleeve to the cuff. Repeat for the other sleeve.

Rejoin the yarn to the bottom corner of the Brioche Bomber.

Using 15mm needles, pick up and knit 33[35:37] sts up the front panel, 6[7:8] sts across the back neckline, and 33[35:37] sts down the other front panel.

Work in 1x1 rib for 5 rows. Cast off loosely.

Weave in all ends.
