Joining the halves to create the baubles

Join a new colour yarn by working a slst into blo of each half of the bauble. Work around the bauble slip stitching into the blo of each stitch until reaching the first slst. Cut a long length of yarn and stitch into the first slst, replicating the 'loop'. Fasten off yarn.

If your bauble does not already have a hanging loop, join in yarn to the slst round and chain 22. Join with a slst to where you initially joined your yarn in and fasten off. Feed ends underneath the crochet to hide them.

Your Bauble is ready to display!
