## PATTERN NOTES

The Climbing Diamonds Wrap is a rectangular shawl knitted in one piece and worked flat throughout. It begins with a garter stitch eyelet border on the short side of the rectangle followed by easy-to-work mirrored lace borders running down the length. Brioche selvedge stitches provide a simple and neat non-rolling edge. It ends with a matching garter stitch eyelet border.

Directions are given for one size, but this is easily adjusted. To make your wrap **longer/** shorter work **more/** less repeats of Climbing Diamonds Lace Pattern than instructed; to make your wrap **wider/** narrower cast on **more/** less stitches and **increase/** decrease the number of stitches between markers on Row 10. **Please note the number of stitches must remain an odd number for the eyelets to line up correctly with the top and bottom borders.**

Both written instructions and charts are provided for the lace borders.

The Chained Cast On is the suggested cast on as it matches beautifully with the traditional cast off. This is worked in the same way as a provisional crochet cast on, but using the working yarn for the crochet chain. Work until there is one fewer than the desired number of stitches on the needle, then slip the loop from the hook to the needle for the last stitch.
