Pattern information

The socks are crocheted in a pattern for the shaft and along the instep.
The heel and sole are crocheted in single crochet.

Pattern

1 half double crochet (hdc) in the back loops only, so that 2 horizontal "joints" are formed on the right side.

Shaft, in a pattern:

Ch22 (26, 30, 34) loose and pull into a ring with 1 sl st, ch1.

1 round of hdc.

Continue crocheting around in a pattern until the shaft measures 6 (7, 8, 9) cm.

Place a marker on each side of the beginning of the round = 11 (13, 15, 17) sts on each side.

Crochet to the marker on the right side of the beginning of the round.

NB Crochet back and forth, in sc over the 11 (13, 15, 17) sts and turn each row with ch1.

Heel cap in single crochet

Work in sc until the heel cap measures 4 (5, 6, 7) cm. Finish with wrong side row.

NB Place a marker in the middle of the heel. From here, make measurements for the foot before decreasing for the toe.

Crochet decreases for the heel like this:

Ch1, skip 1 stitch, work sc until there are 2 sts left, 2 sc together = 2 stitches decreased.

Repeat this row until there are 3 (5, 7, 9) sts. Finish to the left of your work seen from the right side.

NB The sts over the instep are still crocheted in a pattern, whilst the heel and foot are crocheted in Single crochet.

There are 23 (27, 31, 35) sts along the heel, 11 (13, 15, 17) stitches over the instep = 34 (40, 46, 52) for the entire round. Continue crocheting around.

Instep, foot and wedge

1st round: 8 (9, 10, 11) sc along the heel = 2 sts before the marker, 2 sc together, crochet a pattern over the instep, 2 sc together, 8 (9, 10, 11) sc along the heel, crochet in sc until 2 sts before the marker on the other side, = 2 sts dec = 32 (38, 44, 50) sts.

2nd round: Work in sc until 2 sts before the marker, 2 sc together, crochet a pattern over the instep, 2 sc together, crochet in sc until 2 sts before the marker on the other side, = 2 sts dec = 30 (36, 42, 48) sts

Repeat the 2nd round until there are 11 (13, 15, 17) sts on each part = 22 (26, 30, 34) sts in total.

Foot

Crochet evenly until the work measures 16 (18, 21, 24) cm from the marker from heel = 3 (4, 4, 5) cm to toe.

Toe

Place 1 marker on each side by the transition from pattern to single crochet = 11 (13, 15, 17) sts on each side.

Begin decreasing

Work in sc until 1 st before the marker, crochet 2 sts together med sc, repeat once more = 2 st dec.
Repeat this round 5 (6, 7, 8) times in total = 12 (14, 16, 18) sts.

Work 2 sc together in sc until there are 6 sts.

Cut the yarn and sew the sts together.

Crochet another matching sock to make a pair.
