Pattern notes -

UK terminology used

Use this pattern as a guide only

Measure your dog's neck and chest and use these measurements as a starting point.

Choose which size would suit your dog best, you will be prompted when to adjust the length.

The numbers at the end of each round in brackets, are the amount of stitches you should have at the end of that row.

The ch 1 does not count as a stitch, always work into the 1st stitch of the row unless otherwise stated.

Work in rounds, do not turn unless otherwise stated.

Approximate measurements of finished sweater -
