I also use the yarn under method rather than the normal yarn over method to make closer stitches.

NOTES TO HELP GET A GOOD FINISH ON YOUR ARIMAGURI:

decrease (dec)- Insert hook through the FLO of the first stitch then the FLO of the second stitch. Yarn under pull through 2 loops. Yarn under pull through 2 loops.

Increase (inc)- sc through both loops, then sc through the FLO of the same stitch.

Use a contrasting colour thread as a stitch marker rather than the traditional stitch markers as they can create holes in your work.
