SWEATER

Worked in the round from the neck down, apart from a few rows worked back and forth when shaping armholes. This enables you to try it on midway and adjust the length if necessary.

Use the circular needles to work back and forth in rows, leaving the other stitches unworked on the needle.

Placing markers before each section on the first increase round of the yoke will cut down on counting time on all proceeding increase rounds. Slip the markers each time on the rounds in between.

Commencing at the Collar

Using short circular needle cast on 85[85,90,90] sts taking care not to twist the sts on the needle when joining in the first round
