FINISHING OFF

Join shoulder seams. Join side seams. Using insert photo as a guide, neaten the raw edges by oversewing up both edges on each front using M joining the gap where the contrast yarn is, so bringing the edges of the main stripe sections slightly together. Do the same for the armhole edges on both sides, the back and the fronts. For the ties use 2 strands of C together for double thickness and work a crochet chain of 20 sts, fasten off. Attach a bead to one end and fasten the other to each front below collar turnback.
