Making up:

Using tapestry needle and a length of A, sew the ear inners onto one side of each ear. Sew the completed ears, with the inner side facing towards the bag, onto the bag just under the drawstring channel. Use a safety pin or similar to slide the lengths of tape or ribbon into the drawstring channel and tie in a knot at each side. Use the remaining white yarn to make a pom pom and sew in place near the bottom of the bag.
