Pattern Notes

UK terminology used

The chain 1 does not count as a stitch, always work into the 1st stitch of the row.

This pattern is made by increasing at one end of the row and decreasing at the other.

The increases are made by working 2 half treble crochet into the same stitch.

The decreases are worked by working a half treble crochet decrease over the last 2 stitches of the row.

The ridges are made by working into the back loop only.

Hat can be worn down for a slouchy look or turned up to create a brim.
