PATTERN NOTES

These stranded colourwork socks are knit in the round from the cuff down with a heel flap, round heel, and gusset decreases placed on the sole. Featuring snowmen and motifs based on traditional Nordic patterns they can be worked in two or more contrasting colours. The name, Lumiukko, is Finnish for Snowman.

These socks can be knitted on dpns, by magic loop, or on a short circular (in which case you will still need dpns for the heel and toe decreases).

All charts are read from right to left working from the bottom to the top. Please read the charts carefully.

The charts use repeat boxes; you may find it helpful to place markers after each repeat, remove these markers after completing each chart. **Please note the boxes are different colours depending on the number of times you work them; these colours are nothing to do with the colour-coded size instructions.**

For colourwork socks I recommend trapping your float at least every 5 stitches (to avoid catching items on the floats) and varying where in the pattern you trap them by at least 2 stitches on the following round. Staggering the position of the traps helps prevent the colour you are trapping from showing through to the front of your sock.

TENSION

36 sts and 40 rows to 10 cm (4 ins) measured over stranded colourwork pattern using 2.5 mm needles.

If your tension is too tight use a larger needle, if too loose use a smaller needle.

Rounds 3 – 12 (15, 18, 21): Switch to smaller needles, *K2, P2; rep from * to end of round.

Heel Flap:

This is knit back and forth over 31 (35, 39, 43) sts, leaving 33 (37, 41, 45) sts on hold. If you are using a short circular, work the heel using dpns leaving the on hold sts on your short circular.

Please note the differences between the three types of slip stitches used in this pattern – see abbreviations above.

Row 1 (RS): With CC2, K2, *Sl1, K1; repeat from * until you have 30 (34, 38, 42) sts on your needle, K1, turn
- 31 (35, 39, 43) sts.

Row 2 (WS): Sl1P, P to end, turn.

Row 3 (RS): Sl1K, * K1, Sl1; rep from * to last 2 sts, K2, turn.

Row 5 (RS): Sl1K, K9, SSK, K1, turn.

Continue in this pattern (i.e., P10, K11, etc) until all heel stitches have been used. You will have 19 (21, 23, 25) sts left. Cut CC2.

Gusset:

The remainder of the sock is knit in the round. Return to the lower right corner of the heel flap where you left the MC and CC1 strands, twist these strands and place marker for beg of round. Using MC begin Gusset Chart for your chosen size or work as follows:

Round 1: Pick up and k 1 st from the gap between the heel flap and the instep.

Pick up and k 13 (15, 17, 19) sts from the right-hand edge of the heel flap, place marker.

K across the 19 (21, 23, 25) heel flap sts, place marker.

Pick up and k 13 (15, 17, 19) sts from the left-hand edge of the heel flap.

Pick up and k 1 st from the gap between the heel flap and the instep.

K 1 st from the instep stitches which were left on hold, place marker - you will have 48 (54, 60, 66) sts on your needle.

K across the remaining 32 (36, 40, 44) instep sts - there are now 80 (90, 100, 110) sts on your needle.

Decreases are worked on rounds 2, 3, 5, 7, 9, 11, 13, 15 (17, 19, 21).

Round 2: Using colours as indicated slip beg of round marker, K1, SSK, K 11 (13, 15, 17), slip marker, K 19 (21, 23, 25), slip marker, K 12 (14, 16, 18), K2tog, K1, slip marker, knit to beg of round.

Round 3: Using colours as indicated slip beg of round marker, knit to first marker, slip marker, SSK, knit to 2 sts before second marker, K2tog, slip marker, knit to next marker, slip marker, knit to beg of round.

Round 4: Using colours as indicated k all sts, slipping markers as you come to them.

For rounds 5, 7, 9, 11, 13, 15 (17, 19, 21) repeat round 3.

For rounds 6, 8, 10, 12, 14 (16, 18, 20) repeat round 4.

After working round 15 (17, 19, 21) count your stitches between beg of round and marker #3. You should have:

13 (15, 17, 19) sts from beg of round to marker #1,

5 sts between marker #1 and marker #2,

14 (16, 18, 20) sts between marker #2 and marker #3.

This totals 32 (36, 40, 44) sts (half your original stitch count) and, with the 32 (36, 40, 44) sts you have between marker #3 and beg of round, you are back to your original stitch count. Remove markers #1 and #2 on the following round (marker #3 is used in the toe decreases).

After completing Gusset Chart knit 1 (2, 3, 2) rounds with MC carrying CC1.

All Sizes:

I highly recommend trying your sock on at this point; your foot should now be 1¾" (2", 2¼", 2.5"), 4.5 (5, 5.75, 6.25) cm short of desired length. If you want to add more length this can be achieved by knitting additional MC rounds. When you are happy with the length cut MC.

Toe:

If you are using a short circular, you will need to switch to dpns at some point during the toe decreases.

With CC2 work as follows:

Round 1: *Slip marker, K1, SSK, K to 3 sts before next marker, K2tog, K1; rep from *once.

Round 2: K all sts slipping markers as you come to them.

Rep rounds 1 and 2 until you have 24 (28, 32, 36) sts remaining, graft remaining stitches using Kitchener stitch. Sew in all ends and block as desired. Repeat for second sock and enjoy!
