F/O the Blue Mountain wings, but **don't** fasten off the Spritzer wings. Instead keep yarn attached and pick up a blue mountain wing, hold them together and single crochet around. This will attach the two different coloured wings together. There's no stitch count for this, just crochet around and then join with a SL ST. F/O and leave long tail of yarn for sewing.

Assembly.

Place and sew the ears on top of the head.

Place and sew the wings in line with the eyes.

Glue or sew on Mouth.

Some Tips for working with Faux Fur Yarn.

This is a lovely yarn, but it can be difficult to see your stitches, so I recommend:

- Count each stitch as you make it.
- Feel your stitches and you will know where to place your crochet hook.
- Use a stitch marker to mark the beginning of each round, then move accordingly.
