## Notes

Hat can be made smaller or larger by adjusting the starting chain length, this is the height of your hat. To customize your hat measure your starting chain from the top of the head to where you want the hat to sit on the forehead, you can add extra to make a rim. To make your hat wider increase the number of rows.

Leave your ends long to crochet the seams together and to gather the top of your hat.

### Abbreviations

ch – chain

dc – double crochet

sl st – slip stitch

blo – back loop only

### PATTERN

#### Row 1

Using Fairy sl and ch 23 (plus 2 for turning)

dc into 3<sup>rd</sup> st from the hook and in each chain across the row

(25 sts)

#### Rows 2-23

ch 2 (does not count as st throughout) and turn

dc in blo across the row (25 sts)

\*leave an extra-long tail of yarn when you fasten off

Sew in any ends.

Once the base of the hat is done you will end up with a rectangle of ribbed crochet that measures approximately 50cm x 28cm.

### How to make into a hat

Fold your rectangle in half and with your extra long yarn end slip stitch the seams together using your crochet hook. Turn your hat inside out so that your seam is now on the inside of the hat.

Next with your long end again and using your tapestry needle, at the top of your hat sew between the ribs going underneath the ribs all the way around and pull tight, this will gather your hat together nicely with no bumps and close your hat. Sew across the top a few times to secure.

### To finish

Pom-pom using a mixture of Unicorn and Pixie

Make 1 large pompom and tie to the top of hat on the inside.
