Fasten off sew ends in.

Repeat rounds 1 – 4 making x4 of each colour as above.

Joining

Now we will be joining our mini flower squares together. Please see picture below for colour placement. This is just how I did mine, this placement doesn't matter if you wanted to do it differently.

With 2 of your mini flower squares right side facing each other, take a length of yarn in a corresponding colour to one of your mini squares and join them together using the wip stitch, into the back loops only of each square. When you get to the corner add your next square and join in the same method. Then changing your yarn colour to match your final square, join your last mini square with the same method (see pics below).

Week 1 complete!!
