TEST REPORT

NUMBER: LTR23100212A

This report details the clauses appropriate to this item. Those clauses not referred to were considered not applicable.

Specification: **BS EN 71-1: 2014+A1:2018, EN 71-1: 2014+A1:2018 Safety of toys – Specification for Mechanical and physical properties**

*The item was packed in a paper wrap band which was considered to be disposable.
The item was tested for children of all ages.*

SECTION	TEST	RESULTS
4	GENERAL REQUIREMENTS	
4.1	Material Cleanliness	Pass
5	TOYS INTENDED FOR CHILDREN UNDER 36 MONTHS	
A.26	<p>Cleaning & Washing Requirements <i>The Toy Safety Directive 2009/48/EC require that toys for children under 36 months comply with the following:</i></p> <p><i>A toy intended for use by children under 36 months must be designed and manufactured in such a way that it can be cleaned. A textile toy shall to this end be washable except if it contains a mechanism that may be damaged if soak washed. The toy shall fulfil the safety requirements also after having been cleaned in accordance with this point and the manufacturer's instructions.</i></p> <p><i>This is not a requirement of EN71 Standard as such no testing was conducted.</i></p>	See comments
5.4	<p>*Cords, Chains & Electrical Cables in Toys <i>As supplied this clause is not applicable as the yarn is not attached to a toy. However, any finished toys will need to comply with the cords requirements as applicable.</i></p>	See comments
5.10	Small Balls	
	a) Toys shall not be small balls or contain removable small balls	Pass

Date of Testing: 12th October 2023

END OF REPORT

This report is made solely on the basis of your instructions and/or information and materials supplied by you and all results relate only to the sample tested. It is not intended to be a recommendation for any particular course of action. Intertek does not accept a duty of care or any other responsibility to any person other than the Client in respect of this report and only accepts liability to the Client insofar as is expressly contained in the terms and conditions governing Intertek's provision of services to you. Intertek makes no warranties or representations either express or implied with respect to this report save as provided for in those terms and conditions. We have aimed to conduct the Review on a diligent and careful basis and we do not accept any liability to you for any loss arising out of or in connection with this report, in contract, tort, by statute or otherwise, except in the event of our gross negligence or wilful misconduct.

Where a numerical result is recorded, conformity statements contained within this report consider the decision rule agreed, namely that Intertek will account for uncertainty of measurement as calculated by Intertek and apply according to ILAC G8/09:2019 (Non-Binary acceptance based on guard band W=U) with a risk of Possible False Acceptance or False Rejection of <2.5%, except where specifically agreed otherwise prior to testing.
