Measure a quarter of the way

I folded my panel in half and
placed a stitch marker in the
centre, I then folded the edges in
towards the centre stitch marker
and placed stitch markers on the
fold which will be your neck hole.
The 3 stitch markers should be
evenly spaced along the panel.

With your attached yarn tr to your
outer stitch markers on each end
for 4 rows. These are your
shoulders.

Stitching your panels together

Working on the ws, ss the top
(shoulders) of your panels
together and then ss your sides
together leaving armholes free.
To do this I halved my panel from
top to bottom, the fold is the
bottom of your arm hole, place a
stitch marker in and ss to the
bottom of the hem.
