Making up

Thread a 25cm length of yarn to your needle, and sew the front and back panels together at the shoulders using the horizontal invisible seam technique. Weave in the ends, taking care to ensure there is no hole at the point where the snood joins the shoulder.

Using your 12mm needles, pick up and knit 48 stitches around the armhole (21sts from the shoulder down the front, 7sts across the underarm, 20sts from the underarm back up to the shoulder). Work in 1x1 rib for 2 rows. Cast off.

Repeat Step 2 for the other armhole. Weave in all ends.
