PATTERN

Cast on 64 stitches in Contrasting colour.

Join without twisting, place a stitch marker at the beginning of the round

Create the cuff with 12 rounds of Knit 2, Purl 2.

For the pattern you will need to have 4 strands of the contrasting colour, starting with one on each needle. Each strand creates one of the diagonal swirls, so there is no need to carry the yarn along the back of the sock to the next swirl.

Please note when you are creating the spiral you need to carry the plain yarn (green) across the front at all times and the main colour (patterned) across the back.

When adding more yarn, tie a small knot on the front and weave in the ends down the green on the outside or up into the rib. You will always have the contrasting colour one stitch to the left of the first purl required by the pattern. This yarn is pulled slightly to accommodate the 3 purl stitches, as you are using the yarn over stitch it creates a 3D effect. Ensure that when you're carrying the main colour behind the

3 purl stitches the tension is kept even and do not pull the yarn to ensure the sock isn't too tight. Then start the pattern:

Set up 1

Needle 1 stitches knit turn work and purl back across needles 1 and 4 we will just be working on these 32 stitches for the heel flap (all these stitches should now be on one needle).

Picking up stitches for the gusset

Still using contrasting colour Knit 9, and then use the needle we set down before starting the heel flap (Needle 1) to knit remaining 9 stitches and pick up 16 stitches evenly along the side of the heel flap. These will be the supplies stitches on the beginning of every row.

Needle 2: Knit

Needle 3: Knit

Using the spare needle (Needle 4) pick up 16 stitches along the other side of heel flap and knit remaining 9 stitches – replace the stitch marker to note the start of the round.

Round 1 Needle 1: Knit to 3 from end, K2tog, K1

Needle 2: Knit

Needle 3: Knit

Needle 4: K1, K2tog, Knit to end

Round 2 Needle 1: Knit

Needle 2: Knit

Needle 3: Knit

Needle 4: Knit

Repeat these 2 rounds twice in contrasting colour then change to main colour and continue repeating these two rounds until needles 1 and 4 have 16 stitches.

Continue knitting in main colour on all needles until the foot measures 2 inches shorter than you want the finished sock. For the sock shown, Ladies size 4-7 UK, 40 rows were knitted after gusset, before starting the toe. (If you do have a different amount of rows don't forget to note this down as you'll require it for the socks pair!)

Toe

Change to contrasting colour.

Round 1 Needle 1: Knit until 3 from end K2tog, K1

Needle 2: K1, SSK, Knit to end

Needle 3: Knit until 3 from end K2tog, K1

Needle 4: K1, SSK, Knit to end

Round 2 Knit

Repeat these two rounds until 40 stitches remain (10 on each needle), then decrease every round until 20 stitches remain (5 on each needle).

Knit all stitches from needle 1 on to needle 4, slip the stitches from needle 2 and 3 on to the same needle.

You should now have 2 needles with 10 stitches on each needle.

Use Kitchener stitch to bind off or turn inside out (being careful not to drop any stitches) and use a three needle bind off.

Ensure you tie a small, neat knot in the yarn and weave in the ends.
